A volunteer placement organization for you

Retired Senior Volunteer Program (RSVP)

RSVP is America's largest volunteer network for people age 55 and over. RSVP offers a full range of volunteer opportunities with thousands of local and national organizations. With RSVP, you choose how and where you want to serve. You choose the amount of time you want to give. You choose whether you want to draw on your skills or develop new ones. You find the opportunity that's right for you.

With RSVP, you'll receive pre-service orientation, training from the organization where you serve, and supplemental insurance while on duty.

When you volunteer, you're not just helping others—you're helping yourself. Volunteering leads to new discoveries and new friends. Plus, studies show that volunteering helps you live longer and promotes a positive outlook on life.
